

No More Taxpayer Money for Planned Parenthood

Planned Parenthood is the nation's largest abortion provider, responsible for more than one-third of all abortions performed in America.

And yet, Planned Parenthood receives at least **\$528 million annually** from various levels of government, mostly through federal programs.

We the undersigned urge the U.S. Congress, and all state and local governments, to stop giving our tax dollars to the nation's largest abortion provider, Planned Parenthood.
